MEMORIALIZING THE LEGISLATURE OF THE STATE OF CALIFORNIA TO ENACT ASSEMBLY BILL NO. 2913 WHICH WOULD REQUIRE THE DIRECTOR OF MENTAL HEALTH TO CONTRACT WITH A NONPROFIT AGENCY TO ACT AS THE STATEWIDE COORDINATING AGENCY AND TO ALSO CONTRACT TO ESTABLISH GEOGRAPHICALLY BASED REGIONAL RESOURCE NONPROFIT COMMUNITY AGENCIES TO PROVIDE SUPPORT TO CAREGIVERS OF NEUROLOGICALLY IMPAIRED ADULTS AND TO TO PROVIDE SPECIFIED SERVICES TO NEUROLOGICALLY IMPAIRED ADULTS AND THEIR FAMILIES

WHEREAS, that persons over the age of eighteen who sustain brain impairment have a variety of program and service needs for which there is no clearly defined, ultimate responsibility vested in any single state agency and for which there are currently a number of different programs attempting to meet their needs; and,

WHEREAS, that the lack of clearly defined, ultimate responsibility has resulted in severe finacial liability and physical and mental strain on neurologically impaired persons, their families, and caregivers; and,

WHEREAS, the terminology and nomenclature used to describe brain impairments are varied and confusing, in part because of different medical diagnoses and professional opinions as well as differences in terminology used by the various funding sources for programs and services. Uniformity is required in order to ensure that appropiate programs and services are available throughout the state to serve such persons; and,

WHEREAS, that providing services to neurologically impaired adults, their families, and caregivers requires the coordinated services of many state departments and community agencies to ensure that no gaps occur in communication, in the availability of programs, or in the provision of services; and

WHEREAS, in 1979 this Board of Supervisors supported the enabling legislation to establish the Family Survival Project for Brain-Damaged Adults of San Francisco; and

WHEREAS, the Family Survival Project has demonstrated that the most successful, cost effective service model is one which allows a nonprofit community agency to provide a full array of support services to families that have a member who suffers from a brain impairment. This agency provides direct services, coordinates existing resources, and assists in the development of new programs and services on a regional basis; now, therefore be it,

RESOLVED, that this Board of Supervisors urges the Legislature of the State of California to enact Assembly Bill No. 2913 which would require the Director of Mental Health to contract with a nonprofit agency to act as the Statewide Coordinating Agency to provide support to caregivers of neurologically impaired adults and to provide specified services to neurologically impaired adults and their families; and be it further,

RESOLVED, that a copy of this resolution be forwarded to the Legislature of the State of California

WHEREAS, The State of California in 1978 enacted a statute (now Government Code section 12945 (b) (2)) requiring employers to give women reasonable pregnancy leave with a right of return to a substantially similar job; and,

WHEREAS, Four out of five women in the workforce are likely to bear children and require employment leave; and,

WHEREAS, Inadequate employment leave policies have a disparate and adverse impact on women, since only women can become pregnant; and,

WHEREAS, Government Code section 12945 (b)(2) requiring employers to provide pregnancy leave promotes equal opportunity for women in the workforce; and,

WHEREAS, The California Department of Fair Employment and Housing was named as a defendant in California Federal Savings & Loan Assn., et al. v. Guerra, et al., a federal suit which sought to strike down Government Code section 12945 (b)(2); and,

FILE NO 12-84-14 RESOLUTION NO. 240-84

ENDORSING SENATE BILL 2225 WHICH ALLOWS FOR THE DEVELOPMENT OF A REGIONAL WASTE-TO-ENERGY FACILITY THAT IS BOTH ENVIRONMENTALLY SOUND AND ECONOMICALLY FEASIBLE.

WHEREAS, San Francisco has been facing and will continue to face a serious solid waste disposal problem; and

WHEREAS, San Francisco and other Bay Area communities must reduce their reliance on landfilling as the primary method of solid waste disposal given projected increases in refuse generation, problems associated with ground transportation, scarcity of landfill capacity, and increasing costs; and

WHEREAS, in 1979 this Board of Supervisors passed Resolution No. 884-79, which authorized the CAO to establish a long-term program to manage the City's solid waste including development of resource recovery and a waste-to-energy facility; and

WHEREAS, in 1983 this Board of Supervisors adopted a Solid Waste Management Plan which provides for the implementation of a waste-to-energy facility that will provide an environmentally sound means of solid waste disposal and that minimizes financial risk to the ratepayers; and

WHEREAS, pursuant to the above-referenced resolution and Solid Waste Plan, the CAO has been working with Combustion Engineering, Inc. and with with several other Bay Area communities to develop a regional waste-to-energy facility that is both environmentally sound and economically feasible; and

WHEREAS, in order to be economically feasible and to provide a regional resource, such a waste-to-energy facility must be sized to accommodate more refuse than the 550,000 tons per year generated by San Francisco; and

WHEREAS, provisions of current applicable state law would impose prohibitive economic constraints on the construction of such a facility of the required size in the Bay Area; and

FILE NO. RESOLUTION NO.

WHEREAS, there is pending before the California legislature a proposed bill, SB 2225, that would mitigate these economic constraints by permitting construction and operation of such a regional waste-to-energy facility in the Bay Area with sufficient capacity to accommodate solid waste of two or more communities in the region including San Francisco; and

WHEREAS, such a regional waste-to-energy facility sized to accommodate refuse from San Francisco and one or more other communities could provide a long-term, cost effective solution to the regional problem of solid waste disposal; now be it

RESOLVED, that this Board of Supervisors supports Senate Bill 2225; and be it

[Mortgage Revenue Bonds]

INDUCEMENT STATING THE INTENTION OF THE CITY AND COUNTY OF SAN FRANCISCO TO ISSUE CITY AND COUNTY OF SAN FRANCISCO MORTGAGE REVENUE BONDS TO FINANCE THE CONSTRUCTION OF MULTI-FAMILY RESIDENTIAL DEVELOPMENTS

WHEREAS, the City and County of San Francisco (the "City") is a municipal corporation and chartered city and county duly organized and existing under a freeholders' charter (the "Charter") pursuant to which the City has the right and power to make and to enforce all laws and regulations in respect to municipal affairs and certain other matters, subject to the limitation of the Charter, in accordance with and as more particularly provided in Sections 3, 5, and 7 of Article XI of the Constitution of the State of California and Section 1.101 of the Charter;

WHEREAS, the Board of Supervisors of the City and County of San Francisco (the "Board of Supervisor"), after careful study and consideration, has determined that there is a shortage of safe and sanitary housing within the City, particularly for low and moderate income persons, and that it is in the best interest of the residents of the City and in furtherance of the health, safety, and welfare of the public for the City to assist in the financing of multi-family rental housing units; and

WHEREAS, acting under and pursuant to the powers reserved to the City under Sections 3,5, and 7 of Article XI of the Constitution of the State of California and Sections 1.101 and 7.310 of the Charter, the City has enacted the City and County of San Francisco Residential Mortgage Revenue Bond Law (the "City Law"), constituting Chapter 43 of the San Francisco Administrative Code, in order to establish a procedure for the authorization, issuance and sale of residential mortgage revenue bonds by the City for the purpose of providing funds to encourage the availability of adequate housing and home finance for persons and families of low or moderate income, and to develop viable communities by providing decent housing, enhanced living environment, and increased economic opportunities for persons and families of low or moderate income; and

WHEREAS, in addition, pursuant to Division 31 of the Health and Safety Code of the State of California, and particularly Chapter 7 of Part 5 thereof (the "State Law"), the City is empowered to issue and sell bonds for the purpose of making mortgage loans or otherwise providing funds to finance the development of multi-family rental housing including units for lower income households and very low income households; and

WHEREAS, the Board of Supervisors has now determined to provide financing for certain multi-family rental housing developments identified in Exhibit A hereto (the "Development"), to be located in the City, and in order to finance the Developments the City intends to issue revenue bonds pursuant to the City Law or the State Law;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the City and County of San Francisco as follows:

1. The Board of Supervisors hereby determines that it is necessary and desirable to provide construction and permanent financing for the Developments by the issuance, pursuant to the City Law or the State Law, of mortgage revenue bonds (the "Bonds") in one or more series, in a principal amount for each Development not to exceed the amount for such Development set forth in Exhibit A hereto. The Developments are to be located at the respective sites and are to consist of approximately the respective number of units set forth in said Exhibit A, and are to be developed and owned by the respective Developers named therein or by related entities or entities to be created by persons comprising said Developers. Each of the Developments shall meet the requirements of the City Law or the State Law and any federal requirements for tax exemption of interest on the Bonds, including without limitation requirements with respect to availability of units in the Developments for occupancy by persons of low or moderate income. The Mayor and other appropriate officers of the City are hereby authorized and directed, for and in the name and on behalf of the City, to take whatever further action relating to the financing of the

Developments that may be deemed reasonable and desirable, provided that the terms and conditions under which the bonds are issued must be approved by the Board of Supervisors in the manner provided by law prior to the sale thereof.

2. Based on the foregoing, it is understood that the availability of the financing for the Developments is a substantial inducement to the Developers to undertake such Developments in a manner desired by the City.

3. It is intended that this resolution shall constitute "some other official action" toward the issuance of the Bonds to finance the Developments within the meaning of Section 1.103-8(a) (5) of the Treasury Regulations promulgated under Section 103 of the Internal Revenue Code of 1954, as amended.

4. The Mayor and other appropriate officers of the City are hereby authorized and directed, for and in the name of the City, to take all actions and to sign all documents necessary or desirable to effectuate the purposes of this resolution.

5. Nothing herein contained shall be deemed to create any liability on the part of the City if the City, in its sole discretion, determine at any time and for any reason not to issue such bonds or to finance any of the Developments.

EXPRESSING THE POLICY OF THE BOARD OF SUPERVISORS THAT WILLIAM JOSEPH QUINN BE RELEASED ON BAIL PENDING APPEAL OF HIS EXTRADITION TO THE UNITED KINGDOM AND URGING HER HONOR, THE MAYOR, TO CONVEY THIS RESOLUTION TO THE NINTH U.S. CIRCUIT COURT OF APPEALS.

WHEREAS, William Joseph Quinn is a thirty-six year old resident and native San Franciscan, and

WHEREAS, The Government of the United Kingdom has sought his extradition to stand trial for acts alleged against him in the United Kingdom; and

WHEREAS, Pursuant to that extradition request he has been held without bail in the San Francisco County Jail for over two years and five months; and

WHEREAS, The United States District Court charged with the review of the extradition request has ruled that the acts charged against William Joseph Quinn may not form the basis for extradition under the relevant provisions of the United States-United Kingdom extradition treaty; and

WHEREAS, That decision has been appealed by the United States Government acting on behalf of the Government of the United Kingdom; and

WHEREAS, William Joseph Quinn has not yet been granted bail pending that appeal, though the appellate proceedings may consume additional years; and

WHEREAS, William Joseph Quinn has strong and extensive ties to the San Francisco Community, as demonstrated by the numerous and respected members of this community who have publicly exhibited their support for his request for release; and

WHEREAS, In light of these circumstances his continued incarceration without bail violates principles of justice and fairness basic to the American system of law and valued by all citizens as well as the San Francisco community; now, therefore, be it

RESOLVED, That this Board of Supervisors urges that William Joseph Quinn be released on bail forthwith; and be it

FURTHER RESOLVED, That this Board urges Her Honor, the Mayor, to execute an affidavit reflecting the passage of this resolution, to be filed forthwith on William Joseph Quinn's behalf with the United States District Court for the Northern District of California, and to be filed with the United States Court of Appeal.

WHEREAS, the Planning Commission's Downtown Plan is intended to structure and shape San Francisco's downtown development well into the 21st century; and

[AB 2800]

MEMORIALIZING THE STATE LEGISLATURE TO APPROVE AB 2800, A BILL WHICH PROVIDES THAT A PROPERTY OWNER SHALL NOT BE LIABLE TO ANY PERSON FOR ANY INJURY OCCURING UPON THE PROPERTY DURING OR AFTER THE COMMISSION OR ATTEMPT TO COMMIT A FELONY BY THE INJURED PERSON.

WHEREAS, Existing law provides no immunity from liability for an owner or possessor of land for an injury that occurs on that property during the course of or after the commission of any felony, or any attempt to commit a felony, by the injured person; and

WHEREAS, Until 1968, California followed the common law rule that a property owner's liability for injuries occurring on his property depended upon the legal status of the injured person as a trespasser, licensee or invitee; and

WHEREAS, Under the common law the property owner owed a duty of care to his business visitors (invitees) but not to his social guests (licensees) or to trespassers; and

WHEREAS, In 1968, the California Supreme Court repudiated the common law in Rowland v. Christian, 69Cal. 2d 108, eliminating the distinction not only as to social guests but even as to trespassers, thus requiring that a possessor of land not be held liable for any injury incurred on his land not only by business visitors and social guests, but even trespassers; and

WHEREAS, In 1979 the California Legislature overwhelmingly passed Assemblyman Alister McAlister's AB 700 which would have exempted the landowner from liability for trespassers except in certain expressly stated exceptions; and

WHEREAS, Then Governor Jerry Brown vetoed AB 700 and a later effort by Assemblyman McAlister (AB 400), a measure virtually identical to AB 700, failed in the Assembly Judiciary Committee; and

WHEREAS, In recent months, a burglar who fell through a skylight while trying to break into a school and was paralyzed in the fall, sued the school, charging the school failed properly to warn him that the skylight was unsafe, and was awarded $260,000 out of court plus $1,200 a month for life; and

WHEREAS, Assemblyman McAlister has introduced AB 2800 which would address this insidious loophole by adding Section 847 to the Civil Code, by eliminating the liability of an owner or possessor of land for any injury incurred by a trespasser during the course of the commission or attempt to commit a felony; and

WHEREAS, The Assembly Judiciary Committee will hear AB 2800 on April 30, 1984; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby endorses AB 2800, which provides that a property owner shall not be liable to any person for any injury occuring upon the property during or after the commission or attempt to commit a felony by the injured person, and urges support of the Assembly Judiciary Committee; and be it

FURTHER RESOLVED, That copies of this resolution be transmitted to her Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature, with the request that all necessary action be taken to ensure the enactment of the above-described legislation.

[Mortgage Revenue Bonds]

INDUCEMENT STATING THE INTENTION OF THE CITY AND COUNTY OF SAN FRANCISCO TO ISSUE CITY AND COUNTY OF SAN FRANCISCO MORTGAGE REVENUE BONDS TO FINANCE THE CONSTRUCTION OF MULTI-FAMILY RESIDENTIAL DEVELOPMENTS

WHEREAS, the City and County of San Francisco (the "City") is a municipal corporation and chartered city and county duly organized and existing under a freeholders' charter (the "Charter") pursuant to which the City has the right and power to make and to enforce all laws and regulations in respect to municipal affairs and certain other matters, subject to the limitation of the Charter, in accordance with and as more particularly provided in Sections 3, 5, and 7 of Article XI of the Constitution of the State of California and Section 1.101 of the Charter;

WHEREAS, the Board of Supervisors of the City and County of San Francisco (the "Board of Supervisor"), after careful study and consideration, has determined that there is a shortage of safe and sanitary housing within the City, particularly for low and moderate income persons, and that it is in the best interest of the residents of the City and in furtherance of the health, safety, and welfare of the public for the City to assist in the financing of multi-family rental housing units; and

WHEREAS, acting under and pursuant to the powers reserved to the City under Sections 3,5, and 7 of Article XI of the Constitution of the State of California and Sections 1.101 and 7.310 of the Charter, the City has enacted the City and County of San Francisco Residential Mortgage Revenue Bond Law (the "City Law"), constituting Chapter 43 of the San Francisco Administrative Code, in order to establish a procedure for the authorization, issuance and sale of residential mortgage revenue bonds by the City for the purpose of providing funds to encourage the availability of adequate housing and home finance for persons and families of low or moderate income, and to develop viable communities by providing decent housing, enhanced living environment, and increased economic opportunities for persons and families of low or moderate income; and

JUN 4 1984
SAN FRANCISCO
PUBLIC LIBRARY

WHEREAS, in addition, pursuant to Division 31 of the Health and Safety Code of the State of California, and particularly Chapter 7 of Part 5 thereof (the "State Law"), the City is empowered to issue and sell bonds for the purpose of making mortgage loans or otherwise providing funds to finance the development of multi-family rental housing including units for lower income households and very low income households; and

WHEREAS, the Board of Supervisors has now determined to provide financing for certain multi-family rental housing developments identified in Exhibit A hereto (the "Development"), to be located in the City, and in order to finance the Developments the City intends to issue revenue bonds pursuant to the City Law or the State Law;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the City and County of San Francisco as follows:

1. The Board of Supervisors hereby determines that it is necessary and desirable to provide construction and permanent financing for the Developments by the issuance, pursuant to the City Law or the State Law, of mortgage revenue bonds (the "Bonds") in one or more series, in a principal amount for each Development not to exceed the amount for such Development set forth in Exhibit A hereto. The Developments are to be located at the respective sites and are to consist of approximately the respective number of units set forth in said Exhibit A, and are to be developed and owned by the respective Developers named therein or by related entities or entities to be created by persons comprising said Developers. Each of the Developments shall meet the requirements of the City Law or the State Law and any federal requirements for tax exemption of interest on the Bonds, including without limitation requirements with respect to availability of units in the Developments for occupancy by persons of low or moderate income. The Mayor and other appropriate officers of the City are hereby authorized and directed, for and in the name and on behalf of the City, to take whatever further action relating to the financing of the

Developments that may be deemed reasonable and desirable, provided that the terms and conditions under which the bonds are issued must be approved by the Board of Supervisors in the manner provided by law prior to the sale thereof.

2. Based on the foregoing, it is understood that the availability of the financing for the Developments is a substantial inducement to the Developers to undertake such Developments in a manner desired by the City.

3. It is intended that this resolution shall constitute "some other official action" toward the issuance of the Bonds to finance the Developments within the meaning of Section 1.103-8(a) (5) of the Treasury Regulations promulgated under Section 103 of the Internal Revenue Code of 1954, as amended.

4. The Mayor and other appropriate officers of the City are hereby authorized and directed, for and in the name of the City, to take all actions and to sign all documents necessary or desirable to effectuate the purposes of this resolution.

5. Nothing herein contained shall be deemed to create any liability on the part of the City if the City, in its sole discretion, determine at any time and for any reason not to issue such bonds or to finance any of the Developments.

OPPOSING THE ENACTMENT BY THE HOUSE OF REPRESENTATIVES OF HR 5291 WHICH WOULD ALLOW A SERIES OF DAMS ON THE TUOLUMNE RIVER.

WHEREAS, The history and development of the City and County of San Francisco and the Tuolumne River are intertwined and vitally affect one another; and

WHEREAS, The City and County of San Francisco recognizes its responsibilities under the Public Trust Doctrine to preserve and protect the natural environment for future generations; and

WHEREAS, It is the official policy of the City and County of San Francisco to support the designation of the Tuolumne River as a National Wild and Scenic River; and

WHEREAS, HR 5291 allows for the licensing, development, operation, and maintenance of water resources facilities on the North Fork, Middle Fork and South Fork of the Tuolumne River and the Clavey River; and

WHEREAS, HR 5291 calls for Wild and Scenic River status for the Tuolumne River, it also allows for the construction, operation and maintenance of a diversion dam to be located approximately two miles downstream of the confluence of Cherry Creek, and an underground powerhouse with a discharge tunnel and related facilities to enable water to return to the Tuolumne River in the main stream to be located within a one-mile stretch of the mainstem commencing approximately one mile upstream of the upper end of Don Pedro Reservoir; and

AUTHORIZING THE PUBLIC UTILITIES COMMISSION TO APPLY FOR, ACCEPT AND EXPEND $550,000 OF STATE TRANSIT ASSISTANCE FUNDS FOR OPERATION OF A SPECIAL BUS SHUTTLE SERVICE BETWEEN THE CALTRAIN TERMINAL AT 4TH AND TOWNSEND AND THE CENTRAL BUSINESS DISTRICT.

WHEREAS, several planning studies have indicated that the lack of sufficient, reliable transit service between the Peninsula Commute Depot at 4th and Townsend and the San Francisco financial district discourages ridership on the Caltrain commute system; and

WHEREAS, ridership declines on the Caltrain system jeopardize the future operation of the service because fare recovery ratios must meet state-mandated minimums; and

WHEREAS, the California Transportation Commission and the Metropolitan Transportation have expressed interest in subsidizing on a demonstration basis increased Muni shuttle service between the financial district and the Caltrain depot; and

WHEREAS, the proposed one-year demonstration will also include the sale of discounted Muni fast passes to Caltrain monthly ticket purchasers; and

WHEREAS, it is in the interests of San Francisco to maintain a viable mass transit commute service between its employment center and the Peninsula; now, therefore be it

(Declaration of Emergency)

DECLARING EMERGENCY TO EXIST FOR CONSTRUCTION AND PRODUCTION ACTIVITIES TO BE PROVIDED FOR THE DEMOCRATIC NATIONAL CONVENTION IN MOSCONE CONVENTION CENTER; RATIFYING AND CONFIRMING ALL ACTS OF DIRECTOR OF PUBLIC WORKS.

WHEREAS, The Mayor of the City and County of San Francisco, by authority of Resolution No. 650-82 of the Board of Supervisors of the City, has invited the Democratic Party to call the 1984 Democratic National Convention to meet in San Francisco; and

WHEREAS, An agreement was entered into, dated October 18, 1983, between the City and County of San Francisco and the 1984 Democratic National Convention Committee, Inc., (the "DNCC") whereby the DNCC has agreed to hold its convention in San Francisco on July 16, 1984 through July 19, 1984 (the "Agreement"); and

WHEREAS, Pursuant to the Agreement the City assumed the obligation to design, construct, install, and/or operate at the facilities such platforms, podiums, risers, decorations, carpeting, lighting, audiovisual equipment, and other structures and equipment suitable for the activities contemplated by the Agreement; and

WHEREAS, Certain items necessary for the convention activities, such as restrooms trailers, office trailers, scaffolding, structural steel, lighting and sound equipment were required to be ordered several months before the date of the convention to assure availability of such equipment; and

WHEREAS, The Moscone Convention Center is not available for unlimited access for on-site construction activities until June 5, 1984; and

WHEREAS, The Agreement provides that the City must complete all of the improvements to Moscone Convention Center by July 9, 1984; and

WHEREAS, The Director of Public Works in consultation with architect, architect's design consultants, DNCC, media and security organizations, and production managers has caused plans and specifications to be drafted which provide for the construction and operation activities of the convention; and

WHEREAS, It was projected that final plans and specifications for the required work would not be available for bidding purposes until the first week of March, 1984; and

WHEREAS, Based upon considerations such as the highly technical nature of the production business, the unconventional techniques and materials used for temporary construction, the limited five-week time period for on-site construction, and the City's potential liability to the DNCC if the successful bidder were to prove incapable of performing the contract, the Director of Public Works determined that an intensive review of bidder's qualifications would be necessary; and

WHEREAS, It was necessary to minimize the time lag between the acceptance of bids and the award of the contract in order to conserve time for pre-construction ordering and preparations; and

WHEREAS, On February 8, 1984, the City published a notice in an official newspaper announcing that the City was seeking bidders on the project, and that all potential bidders must submit information as to their financial stability, experience, and capability for successfully completing the work on or before February 21, 1984; and

WHEREAS, Only three companies submitted such information, and one of those companies withdrew before the bid documents were released; and

WHEREAS, On March 8, 1984, the final bid documents were available for distribution, and only two companies obtained the documents from the office of the Director of Public Works; and

WHEREAS, On March 14, 1984, one of the companies withdrew itself as a bidder for the construction and production contract which event was a sudden and unexpected occurrence; and

WHEREAS, Given the minimum amount of time available for preparation of the bid, and the lack of competition, the Director of Public Works determined that in order to guarantee a fair price to the City for the work, the bid process should be suspended and a contract negotiated with the only company seeking the contract; and

WHEREAS, Time is of the essence for the performance of these arrangements; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds and determines that an actual emergency exists for the performance of this construction and production contracting work for the 1984 Democratic National Convention; and, be it

FURTHER RESOLVED, That the Board of Supervisors authorizes the Director of Public Works to execute the work in the most expeditious manner so as to assure the completion of the construction and production contract or contracts for the 1984 Democratic National Convention; and, be it

[AB 3150]

MEMORIALIZING THE STATE LEGISLATURE TO ENACT AB 3150, KNOWN AS THE CALIFORNIA SIMPLE TAX ACT, A BILL WHICH WOULD IMPOSE A TAX AT THE RATE OF 7% UPON THE TAXABLE INCOME OF RESIDENTS, AND REPEALS EXEMPTIONS, DEDUCTIONS AND CREDITS THAT EXIST IN THE PERSONAL TAX CODE.

WHEREAS, AB 3150 would equalize the tax burden on the citizens of California and eliminate tax loopholes; and

WHEREAS, a simplified tax structure would reduce the tax burden on the middle class who are unable to take advantage of many of the existing tax incentives in the Personal Tax Code; and

WHEREAS, AB 3150 would substantially simplify the personal income tax law by superceding many Revenue and Taxation Code sections dealing with existing deductions and credits; and

WHEREAS, California lost more last year from tax preferences ($10,000,000,000) than it generated in individual income taxes ($7,700,000,000); now, therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby endorses AB 3150, known as the California Simple Tax Act, which would impose a tax at the rate of 7% upon the taxable income of residents and repeal exemptions, deductions, and credit that exist in the Personal Tax Code, and urges support of the California State Legislature; and be it

FURTHER RESOLVED, That a copy of this resolution be transmitted to her Honor, the Mayor for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature, with the request that all necessary action be taken to ensure the enactment of the above-described legislation.

WHEREAS, In order to qualify for Federal and State grant assistance and in accordance with the provisions of the proposition for sewerage revenue bonds authorized by voters on November 2, 1976 and the Board of Supervisors Resolution No. 973-77 adopted December 12, 1977, as supplemented by the First Supplemental Resolution No. 945-80, the City and County must establish sewer service charges which will produce sufficient revenue to meet the cost of operation and maintenance, replacement of equipment and structures, and debt service of the sewerage system; and

WHEREAS, The Chief Administrative Officer has submitted a report titled "City and County of San Francisco 1984-1985 Clean Water Enterprise Revenue Plan" (on file with the Clerk of the Board of Supervisors in File No. 21-84) explaining the method of deriving such charges; and

WHEREAS, the Chief Administrative Officer recommends, with the concurrence of the Controller, schedules of the Sewer Service Charges to be paid by users pursuant to Part II, Chapter X, Article 4.2, of the San Francisco Municipal Code (Public Works Code); and

WHEREAS, A Notice of Exemption has been filed with the County Clerk stating that the Sewer Service Rate Schedule, as stated herein, falls within the purview of Chapter 2.6, Section 21080(b)(8), of the California Environmental Quality Act; a copy of said notice is included in File No. 21-84; now, therefore, be it

RESOLVED, All income related to the Clean Water Public Service Enterprise Fund, including, but not limited to, investment income on sewer service charge collections, Water Quality Improvements Trust Fund balances and unexpended balances of proceeds resulting from the issuance of general obligation and revenue bonds shall be credited on a quarterly basis to the Clean Water Public Service Fund; and, be it

FURTHER RESOLVED, That all monies remaining in the Clean Water Public Enterprise Fund at the end of each fiscal year shall be set aside in a fund entitled Surplus Revenue Fund and shall be used to reduce the requirements of the Sewer Service Charge during the next succeeding year; and, be it

FURTHER RESOLVED, The following schedules of Sewer Service Charges to be paid by all dischargers to San Francisco's sewerage system are hereby adopted and imposed pursuant to Part II, Chapter X, Article 4.2, of the San Francisco Municipal Code (Public Works Code):

SCHEDULE A. This schedule shall apply to users connected to an individual or a common water meter whose sewage discharge contains more than fifty percent (50%) wastewater originating from the result of human habitation in dwelling units, defined herein to be a room or suite of two (2) or more rooms that is designed for, or is occupied by, one (1) family doing its own cooking therein and having only one (1) kitchen; provided, however, that dwelling unit shall not include a boarding house, motel or hotel as defined in the City Planning Code. The rates under this schedule are based upon the typical strengths (parameter loadings) of residential wastewater as determined by the Director of Public Works and upon the parameter costs as follows:

Parameter	Unit Cost
Volume of wastewater discharged	$0.8578 per 100 cubic feet (1 unit)

///

///

PLUS

Suspended Solids discharged $0.1786 per lb.

PLUS

Grease/Oil discharged $0.2537 per lb.

PLUS

Chemical oxygen demand discharged $0.0344 per lb.

Based upon the above parameters and unit costs all residential users who have not had their flow factor percentage (percentage of water consumption discharged to the sewer) reduced as a result of the Residential Users Appeals Procedure shall be charged on the basis of water consumption in accordance with the schedule of rates which includes a flow factor of ninety percent (90%), as follows:

LIFELINE RATE - The first 300 cubic feet of water consumption per residential dwelling unit per month shall be charged at the life line rate of $0.7646 per 100 cubic feet of water consumption.

EXCESS OF LIFELINE RATE - All water consumption in excess of 300 cubic feet per residential dwelling unit per month shall be charged at the rate of $1.2406 per 100 cubic feet of water consumption.

Residential users whose flow factor percentages have been reduced as a result of Residential Users Appeals Procedure shall be charged on the basis of water consumption in accordance with the above unit rates, except that the flow factor shall be that determined by the appeals procedure instead of ninety percent (90%).

SCHEDULE B. Users, other than those users charged under Schedule A of this resolution, whose parameter loadings are established by the Director of Public Works in accordance with the provisions of Part II, Chapter X, Articles 4.1 and 4.2, of the San Francisco Municipal Code (Public Works Code) shall be charged the cost for each parameter according to the following:

PLUS	
Grease/Oil discharged	$0.2821 per lb.
PLUS

Those users who are charged under Schedule B of this resolution and who are determined by the Director of Public Works as being engaged in manufacturing, as defined by Division D of the Standard Industrial Classifications published by the Office of the President of the United States Office of Management and Budget (1972), shall be charged for wet weather debt service at such unit costs as are determined by the Director of Public Works on the basis of such user's sanitary waste, excluding any sewer discharge resulting from a manufacturing process, in accordance with such procedures for application and determination as established by the Director of Public Works.

SCHEDULE C. Users, other than those users charged under Schedule A of this resolution and whose parameter loadings are not established by the Director of Public Works in accordance with Schedule B of this resolution, shall be charged at the rate of $1.3484 per 100 cubic feet of water consumption. The rate under this schedule is based on a ninety percent (90%) flow factor and parameter loadings and parameter costs as follows:

Parameter	Unit Cost
Volume of wasterwater discharged	$0.8909 per 100 cubic feet (1 unit)

PLUS
